PFP Ambassadors Application

PFP Ambassadors are comprised of undergraduate and graduate students majoring in Personal Financial Planning. This is a **very entrepreneurial role** as Ambassadors do not always have tasks assigned to them, but rather address needs and problems within the department and work together to create a solution. These students serve as official representatives of the department and an extension of the faculty in the following capacities:

1. **Event Volunteers.** Assist with special events such as Fall Career Day, Opportunity Days, professional trips, and student/faculty recruiting activities.
2. **Department Hosts.** Serve as hosts/hostesses for professionals that visit our program and for prospective students visiting campus.
3. **Student Recruiting.** Aid in the responsibility of on-campus recruiting and support national recruiting efforts.
4. **Student Voice.** Ambassadors serve as a collective voice for the PFP students, relaying concerns, wants, and needs to the department.

Membership Requirements:

1. Must have a 3.0+ cumulative GPA.
2. Must be able to volunteer at recruitment events and make time to help with event preparation and execution.
3. Must be an enrolled Personal Financial Planning student for at least the next two semesters.
