2025 – 2026 CHHS General Funding Grant - Fall

The General Funding Grant will fund CHHS faculty to conduct a pilot research project on any topic. The grant is designed to provide funding for a project that will produce pilot data to be used in an external grant submission.

Who is eligible?

- Full-time CHHS faculty (professors of practice and tenure-track faculty)

What is the grant amount and what can it be used for?

A total of 5 grants of \$7,500 each may be awarded and can be used for research materials and supplies necessary to conduct your research (including the cost of human subject participation, animal costs, and hourly undergraduate and graduate student support). Faculty salary, graduate assistantships, and travel are not allowed.

What is required in the proposal?

The proposal is limited to 3 pages and includes:

1. Description of the research project, including methodology and potential impact
2. Detailed timeline for project completion
3. Detailed budget and budget justification
4. Identification of external grant to be applied for based on the proposed project
5. Any current funding you have for this project from any source, if applicable

How will proposals be reviewed?

Proposals will be evaluated based on

1. Submitting a complete application
2. Clarity of research project
3. Scientific merit/potential impact
4. Feasibility/timeline of the project
5. Appropriate budget and budget justification

Who will review the proposals?

Members of the CHHS Research Committee will review proposals and make recommendations to the Associate Dean for Research. Members of the Research Committee are eligible to apply and will not review their own proposals.
