Texas Tech University is excited to welcome you to campus for Fall 2020.

Texas Tech University continues to closely monitor the COVID-19 pandemic and follow guidelines from CDC and other healthcare authorities. With the current guidelines in mind, students should be aware of the following for the fall 2020 term:

1. International undergraduate and graduate students who are entering the United States from abroad must self-isolate for a period of 14 days upon arrival in Lubbock.
2. Several recent Presidential proclamations established restrictions on the entry of certain travelers into the United States in an effort to help slow the spread of coronavirus disease 2019 (COVID-19). International undergraduate and graduate students traveling from China, Iran, European Schengen Area, United Kingdom, Republic of Ireland, or Brazil will need to travel to a third country first and self-isolate for a period of 14 days. Then, they may travel to the United States and self-isolate for a period of 14 days after arrival in Lubbock.
3. Students who will be living in university housing **MUST** reserve their move-in date and time. University housing will open on **August 8th**.
4. Students are encouraged to sign up early as there are a limited number of move-in times and reservations available! Below is the link to the Reservation/Move-In Day webpage: [https://www.depts.ttu.edu/housing/commitment.php](https://www.depts.ttu.edu/housing/commitment.php)

   Please be aware that students must sign the contract addendum before they will be able to pick a time-slot!

Based on current CDC guidelines and the information above, TTU is advising students to arrive on the campus by **August 7, 2020**. This date will allow incoming students enough time to arrive in Lubbock and move into housing. If not living on campus, students must still arrive in enough time to allow for a 14-day self-isolation period prior to the start of classes. TTU classes will begin on August 24, 2020.

**We look forward to welcoming you to our International Red Raider family! You can find up to date information by checking our TTU Commitment website.**
