Study @x University of Glasgow in Scotland

Participate in Psychology research at the historic University of Glasgow in Scotland during your summer! At the University of Glasgow – Arcadia University, you'll gain hands-on experience while expanding your intercultural knowledge. If you meet the appropriate prerequisites, you'll engage in Psychology research under a University of Glasgow professor and earn transfer credit towards your Psychology degree. Examples of previous research include *Psychology of Behaviour Change*, *Exploring Adolescent Wellbeing in the #sleepyteens Research*, *Autism and Intersubject Correlation of Brain Activity*, and more!

Class schedules subject to change. Based on 2018 catalog year.
