

## Scavenger hunt

Hola!

Welcome to the Scavenger hunt from Texas Tech Center in Sevilla! We are very excited for you to do this scavenger so you'll be more acquainted with Sevilla during your time here. This is inspired by the summer Scavenger Hunt of Mechanical Engineering professor, Jeff Hanson.

### Here are the instructions:

Don't worry it's easy, keep your eyes open and go before others get to the spots. You will have to take pictures of the group or members of the group in the locations listed. You will have a week to complete this Scavenger hunt. Post some pictures on your social media (@ttu.centersevilla) tagging us and with our hashtags (#ttucentersevilla, #wreckemsevilla #redraidersevilla). The team which has the most original and the most pictures will win a prize.
