# PIONEERING IS OUR WAY OF LIFE

From out there, it's questionable.

How can a place like this feed the world?

How can heritage honor the past and shape the future?

The answer is "here."

Here, we've got our own state and state of mind.

A place of inexplicable harmony,

Where worlds of all kinds converge under two T's and one lone star.

"Here" is in the eye of the storm

and in the glare of Texas-sized ambition.

Here, tradition fuels progress.

And unity is born from proud individualism.

Because with a certain disposition, drive and  
disregard for the expected, anything can happen.

This is a place that, to most, will never add up.

Until they see it in the headlines, in the research, in the innovation  
around them.

This isn't just Texas Tech.

It's what's next.

And from here, it's possible.

# HIGHLIGHTS:

Texas Tech University is one of only 20 schools in the country classified as a Carnegie “Very High Research Activity” institution and a Hispanic Serving Institution. Following 13 years of record enrollment growth, Texas Tech is now home to more than 40,000 students. Texas Tech began in 1923 with a mission of serving the needs of West Texas. Our impact has always been felt far beyond—graduating students who possess the authenticity to succeed in (and change) the world.

Our 1,800-acre campus is a showcase of Spanish Renaissance architecture and home to one of the largest collections of public art in the country. Our 13 colleges offer more than 150 undergraduate, 100 graduate and 50 doctoral degree programs. Our students are involved in over 550 student organizations and clubs, participate in robust study abroad and international programs and are deeply engaged in service to our communities. Our main campus in Lubbock is home to the Huckabee College of Architecture, College of Arts & Sciences, Davis College of Agricultural Sciences & Natural Resources, College of Education, College of Human Sciences, College of Media and Communication, Rawls College of Business, J.T. & Margaret Talkington College of Visual & Performing Arts, School of Law and Whitacre College of Engineering, as well as the Honors College and the Graduate School. The new Texas Tech University School of Veterinary Medicine, the first new school of veterinary medicine in the state in more than 100 years, is in Amarillo, Texas. Athletics also play a central role at Texas Tech, with 15 varsity teams competing in the Big XII Conference.
