Dear Sirs:

On behalf of the Board of Regents of Texas Tech University System, the two reports required in Section 55.03, Texas Education Code are enclosed.

The reports show the total contracts associated with the issuance of bonds and the contracts issued to date relating to the use of the bond proceeds for the 2005-2006 academic year.

Contracts relating to the use of the bond proceeds are continuing projects and the system is working to ensure that every effort is being made to assure procurement opportunities and to increase contract participation with minority-owned and women-owned firms.

Sincerely,

A handwritten signature in black ink, appearing to read "JB", written over the printed name of Jim Brunjes.
