Dear Sirs:

On behalf of the Board of Regents of Texas Tech University System, please find enclosed the two reports required by Section 55.03, Texas Education Code.

The reports show the total contracts associated with the issuance of bonds and the contracts issued to date relating to the use of the bond proceeds for the 2008-2009 academic year.

Contracts relating to the use of the bond proceeds are continuing projects and the system is working to ensure that every effort is being made to assure procurement opportunities and to increase contract participation with minority-owned and women-owned firms.

Sincerely,
