

In both the *Graduating Student Survey* of undergraduates and the *Post-Graduate Survey* of graduate students, participants could nominate up to three individuals as the best faculty they had at Texas Tech.

Below is a listing of nominees by name and the number of times each was nominated.

For comparative purposes, total votes are scaled relative to the largest number of votes in a category as equal to 100.

NAME	Col.*	Undergrad. Votes	Relative Ranking	Graduate Student Votes	Relative Ranking	Total Votes	Relative Ranking
