Tuition-Free Course Enrollment 2022-2023

TTU K-12 provides flexibility for families. However, due to requirements from the Texas Education Agency regarding state STAAR testing, we follow a general academic calendar year in our [tuition-free program](#):

- **1st Semester: Course enrollments open August 1.** Courses can begin any time in the August 1 – August 31 calendar window. We encourage students to get started as early as possible to maximize success and to take breaks from school. Courses should be completed by January 31.
- **2nd Semester: Course enrollments open January 15.** Courses can begin during the January 15 – February 15 calendar window. Courses should be completed by June 30.

Required 2022-2023 STAAR/EOC Testing Dates:

(Note: You will be contacted by TTU K-12 Staff with a designated testing site.)

- Fall EOC:

Please note:

- If you have already enrolled and are in good standing, no reapplication is required. You are automatically admitted for the next academic year.

- Applications will be evaluated as they are submitted, and you will be notified about your status. You may apply at any time.
- All admissions are subject to enrollment limits as determined by grade level.
- If enrollment limits are reached, a lottery drawing will be held on July 1 and February 1 to select students for admission.
- Enrollments in our tuition-paid program can occur at any time.

Application and Enrollment Information 2021-2022

TTU K-12 conducts two enrollment lotteries per academic year. The fall lottery is held prior to the beginning of each new school year, which begins in August/September. The second lottery is for spring/mid-year transfers, which begins in January. During each lottery students are admitted until the pre-established enrollment cap is reached. Enrollment between lotteries may become available and is subject to available space.
