Bear our banners far and wide.  
Ever to be our pride,  
Fearless champions ever be.  
Stand on heights of victory.  
Strive for honor evermore.  
Long live the Matadors!*

My experience with TTUISD has been amazing. It has definitely taught me a lot of discipline when it comes to school work, especially knowing that for the most part it is all self-paced. It has also given me the opportunity to continue my high-school education when at times that was not an option for me at a regular school and for that I am grateful for TTUISD.

- Yasemin Arikan

To me, TTUISD meant that I got to be in charge of my education. At my other online schools, I felt like just a student on a set course; at TTUISD, I felt like a student in charge of my own future. It has given me the tools to get out of my education whatever I put in. It allowed flexibility which also allowed me to work part-time at an exotic veterinarian, which has also provided me with invaluable experience in my future academic and veterinary endeavors.

-Hailey Barber

TTUISD has meant a lot to me. It has helped me a lot with having better self determination and also greater planning skills in making sure that I complete my tasks and also do well. TTUISD has also helped me receive a higher education status. I very much enjoyed the change of lifestyle involved with these online classes and how that helped me very much so.

- Courtney Bock

(TTUISD) was a learning experience.

- Rilee King

I have really enjoyed my time at TTUISD. It has really challenged me in many ways, and I feel like I have learned so much. It's really helped me with time management. I really feel like I've learned a lot of self discipline through TTUISD. I really thank you for the experience, I've enjoyed every minute of it.

-Gracie Krell

TTUISD has helped me in many ways. With its flexibility and multitude of options, I was able to graduate early. Even though I completed more courses in a semester than I usually did in public school, I feel like I learned at the same, if not higher, level. The staff was always there to assist me and helped me accomplish my goals.

- Hayley McCreary

Thanks for having me as a student at Texas Tech University.

- Allison Rea

My graduation was October 28, 2015. This date has significant, personal importance. This is why I will proudly have a 2015 tassel upon my cap.
