

TEXAS TECH UNIVERSITY
TTU K-12™

Course solutions for you and your students!

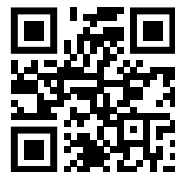

Is your district experiencing teacher shortages or scheduling difficulties? Partnering with TTU K-12 is a good solution. Let us assist you in taking the stress out of hiring staff and scheduling difficulties without affecting your state funding.

TTU K-12 offers an award-winning, fully accredited, online curriculum with more than 200 asynchronous semester-based courses for grades K-12. All courses are written directly to the TEKS and are taught by Texas-certified teachers.

We are here from start to finish to make sure your district and your students are successful.

TTU K-12 is a nationally recognized, accredited, and award-winning online school. All instruction is asynchronous, and students can work through the courses at their own pace and in their own timeframe.
