	Level 1	Level 2	Level 3	Level 4	Level 5
Required Content (60 points)	0 (0.00%) The student completed none of the requirements, or so few of them that there isn't much to look at.	8.58 (21.45%) The student has completed some of the requirements, but should be doing more.	9.9 (24.75%) The student has completed at least half of the requirements	11.22 (28.05%) The student has completed a fair amount of the requirements.	13.2 (33.00%) Student has completed all or almost all of the requirements for this part of the History Notebook
Student-Chosen Notes (20 points)	0 (0.00%) The student didn't include any notes beyond what was required.	8.84 (22.10%) The amount of student-chosen notes taken is not satisfactory. This part of the history notebook seems very low on important details.	10.2 (25.50%) These notes are almost satisfactory, but more information is needed to make this a good study aid.	11.56 (28.90%) These notes have a fair amount of student-chosen content. This will make a good study aid, but a few more details would make it great.	13.6 (34.00%) The student took great notes. These notes make an exceptional study aid.
Overall Neatness and Attention to Detail (20 points)	0 (0.00%) There's not enough in the notebook to make a judgement about craftsmanship.	8.58 (21.45%) The notebook appearance is unsatisfactory. Any handwriting is hard to read or unorganized, and any digital work is either unformatted or unorganized—or both.	9.9 (24.75%) The notebook appearance is satisfactory, but is verging on being too disorganized or difficult to read.	11.22 (28.05%) The notebook is well-crafted overall, but a little more attention to detail would be good.	13.2 (33.00%) The student's notebook is well-crafted and presented. It's easy to find everything and read what's written.
