Websites: TTU’s website is http://www.ttu.edu/, and the department’s website is http://www.depts.ttu.edu/ksm/.

Required Qualifications
- An earned doctorate in Kinesiology, Exercise Science, or a closely related area.
- A focused research agenda and expertise in one or more areas of kinesiology.
- Demonstrated ability to publish in high-quality, peer-reviewed journals.

Preferred Qualifications
- Strong teaching experience at the university level.
- Demonstrated ability to seek external research funding.
- Post-doctoral research experience in biostatistics, exercise physiology, motor control, or neurophysiology.
- Experience in course development, including creative online pedagogy.
- Demonstrated collegiality to participate in and support a collaborative, interdisciplinary work environment.
- Experience and interest in working with diverse student populations and first-generation students is highly desirable.

Responsibilities
- Conduct research and publish in high-quality, peer-reviewed journals.
- Teach a combination of undergraduate and graduate kinesiology courses.
- Obtain external funding.
- Advise graduate students in kinesiology and mentor undergraduate and graduate kinesiology students.
- Perform professional service and outreach to the university, community, and profession.

Rank: Search is open to all qualified candidates at the assistant professor level.

Salary: Commensurate with qualifications and experiences.

Effective Date of Appointment: 9-month, tenure-track appointment will be effective September 1, 2023.

Application Deadline: Evaluation of applications will begin on October 7, 2022, and will continue until this position is filled.

Application Procedures: Applications must be submitted online at: https://bit.ly/3SpKrBj and include a cover letter, curriculum vitae, research statement, teaching statement, and names and
contact information of three people who could be asked to write letters of recommendation. Refer to requisition number 29886BR when applying.

**Department:** The Kinesiology and Sport Management Building offers 14 state-of-the-art research laboratories and includes six classrooms, a student computer lab, and faculty offices. The department is one of the largest at Texas Tech University and enrolls over 1,400 students in the Bachelor of Science in Kinesiology and over 400 students in Bachelor of Science in Sport Management. Over 30 students are enrolled in the Master of Science in Kinesiology in human performance, exercise physiology, and in motor behavior/exercise and sport psychology and over 50 graduate students in the Master of Science in Sport Management. The department offers a Ph.D. in Exercise Physiology with its first graduates in 2022.

**The University:** Texas Tech University enrolls over 41,000 students and is located in rapidly growing Lubbock, Texas, a center of cultural, commercial, medical, and professional services. Guided by its 2018-2025 Strategic Plan, Texas Tech University is actively pursuing strategic initiatives that will enhance its stature as a national research university. Texas Tech University recently surpassed the Hispanic undergraduate student population threshold necessary for designation as a Hispanic Serving Institution (HSI).
