

**Texas Tech University
Department of Kinesiology and Kinesiology
Assistant Professor of Practice in Kinesiology**

The Department of Kinesiology and Sport Management at Texas Tech University is seeking an Assistant Professor of Practice to teach a variety of undergraduate kinesiology courses.

Websites: TTU's website is <http://www.ttu.edu/>, and the department's website is <http://www.depts.ttu.edu/ksm/>.

Required Qualifications

- ❖ Minimum of master's degree in kinesiology, exercise science, or related field.
- ❖ Experience working in a kinesiology-related field, such as athletic training, cardiac rehabilitation, nursing, and/or physical therapy.
- ❖ Experience teaching undergraduate courses in kinesiology, such as Biomechanics, Anatomical Kinesiology, Care and Prevention of Athletic Injuries, Exercise Physiology, Exercise Testing and Prescription, Nutrition, Strength and Conditioning, or Motor Learning.

Preferred Qualifications

- ❖ Experience working in a kinesiology-related field, such as athletic training, cardiac rehabilitation, nursing, and/or physical therapy for a minimum of five years.
- ❖ An earned doctorate in kinesiology or related field.
- ❖ A strong teaching background that includes creative online pedagogy.
- ❖ Demonstrated collegiality to participate in and support a collaborative working environment.
- ❖ Experience and interest in working with diverse student populations and first-generation students is highly desirable.

Responsibilities

- ❖ Teach four courses in the fall semester and four courses in the spring semester of a variety of undergraduate kinesiology courses.
- ❖ Participate in teaching workshops offered by the Teaching, Learning, and Professional Development Center at Texas Tech University to enhance instructional abilities.
- ❖ Contribute to the mission of the department as a colleague.

Rank: Assistant Professor of Practice

Salary: Salary is commensurate with qualifications.

Effective Date of Appointment: 9-month non-tenure-track appointment will be effective September 1, 2023.

Application Deadline: Evaluation of applications will begin on **February 10, 2023**, and will continue until the position is filled.
