The Department of Kinesiology and Kinesiology at Texas Tech University is seeking an Assistant Professor of Practice to teach a variety of undergraduate kinesiology courses.

**Required Qualifications**
- Minimum of master’s degree in kinesiology, exercise science or related field.
- Exceptional background and achievement in academic, business, government, or other professional practice for a decade or more.
- Experience working in a kinesiology-related field, such as athletic training, cardiac rehabilitation, corporate or commercial fitness, nursing, personal training, and/or physical therapy.
- Experience teaching undergraduate courses in kinesiology, such as biomechanics, anatomical kinesiology, care and prevention of athletic injuries, exercise physiology, exercise testing and prescription, nutrition, strength and conditioning, and/or motor learning.

**Preferred Qualifications**
- An earned doctorate in kinesiology or related field.
- A strong teaching background that includes creative online pedagogy.
- Demonstrated collegiality to participate in and support a collaborative working environment.
- Experience and interest in working with diverse student populations and first-generation students is highly desirable.

**Responsibilities**
- Teach four courses in the fall semester and four courses in the spring semester of a variety of undergraduate kinesiology courses.
- Participate in teaching workshops offered by the Teaching, Learning, and Professional Development Center at Texas Tech University to enhance instructional abilities.
- Contribute to the mission of the department as a colleague.

**Rank:** Assistant Professor of Practice

**Salary:** Salary is commensurate with qualifications.

**Effective Date of Appointment:** 9-month non-tenure-track appointment will be effective September 1, 2023.

**Application Deadline:** Evaluation of applications will begin on October 21, 2022, and will continue until the position is filled.
**Application Procedures:** Applications must be submitted online at: [https://bit.ly/3C9i5FA](https://bit.ly/3C9i5FA) and include a cover letter, curriculum vitae, teaching statement, and list of names and contact information of three people who could be asked to provide letters of recommendation. Refer to requisition number **29991BR** when applying.

**The Department:** The department is housed in the Kinesiology and Sport Management Building that includes six classrooms, a student computer lab, and faculty offices. The Department of Kinesiology and Kinesiology offers a B.S. in Kinesiology and M.S. in Kinesiology for over 1,400 undergraduate and 30 graduate students respectively. It also offers a Ph.D. in Exercise Physiology. Also, the department enrolls over 400 undergraduate students in Sport Management and over 50 master’s degree students in Sport Management.

**The University:** Texas Tech University enrolls over 41,000 students and is located in rapidly growing Lubbock, Texas, a center of cultural, commercial, medical, and professional services. Guided by its 2018-2025 Strategic Plan, Texas Tech University is actively pursuing strategic initiatives that will enhance its stature as a national research university. Texas Tech University recently surpassed the Hispanic undergraduate student population threshold necessary for designation as a Hispanic Serving Institution (HSI).
