

**Texas Tech University**  
**Department of Kinesiology and Sport Management**  
**Two Assistant Professors in Sport Management**

The Department of Kinesiology and Sport Management at Texas Tech University is pleased to announce the availability of two tenure-track positions in sport management at the assistant professor level.

**Websites:** TTU's website is <http://www.ttu.edu/> and the department's website is <http://www.depts.ttu.edu/ksm/>.

***Minimum Qualifications:***

- ❖ An earned doctorate in Sport Management or a related area.
- ❖ Demonstrated expertise and a collaborative research and teaching focus in at least one, and preferably more than one, content area of sport management, such as sport analytics, intercollegiate athletics, international sport management, organizational behavior in sport, sport ethics, sport event and facility management, sport leadership, and sport sociology.
- ❖ Demonstrated ability to publish in high-quality, peer-reviewed journals.

***Preferred Qualifications:***

- ❖ A strong teaching background that includes creative online pedagogy.
- ❖ History of seeking external funding.
- ❖ Demonstrated potential for and commitment to participation in interdisciplinary collaborations.
- ❖ Experience working with diverse student populations and first-generation students is highly desirable.

***Responsibilities:***

- ❖ Conduct research and publish in high-quality, peer-reviewed journals.
- ❖ Teach a combination of undergraduate and graduate sport management courses.
- ❖ Seek and obtain external funding.
- ❖ Advise sport management graduate students and mentor undergraduate and graduate sport management students.
- ❖ Perform professional service and outreach to the university, community, and profession.

***Rank:*** Search is open to all qualified candidates at the assistant professor level.

***Salary:*** Commensurate with qualifications and experiences.

***Effective Date of Appointment:*** each 9-month, tenure-track appointment will be effective September 1, 2022.

***Application Deadline:*** Evaluation of applications will begin on **October 15, 2021**, and will continue until the positions are filled.

***Application Procedures:*** Applications must be submitted online at: <https://bit.ly/2UT3zPb>

and include a cover letter, curriculum vitae, research statement, teaching statement, and names and contact information of three people who could be asked to write letters of recommendation. Refer to requisition number **24982BR** when applying.

***The Department:*** The Department of Kinesiology and Sport Management offers a B.S. in Sport Management and M.S. in Sport Management. The department is housed in the Kinesiology and Sport Management Building that includes six classrooms, a student computer lab, and faculty offices. The department enrolls over 400 undergraduate students in Sport Management and between 40 and 50 master's degree students in Sport Management. The department also has over 1,350 undergraduate and 40 graduate students earning a B.S. in Kinesiology and M.S. in Kinesiology respectively and a Ph.D. in Exercise Physiology.

***The University:*** Texas Tech University enrolls over 40,000 students and is located in rapidly growing Lubbock, Texas, a center of cultural, commercial, medical, and professional services. Guided by its 2018-2025 Strategic Plan, Texas Tech University is actively pursuing strategic initiatives that will enhance its stature as a national research university. Texas Tech University recently surpassed the Hispanic undergraduate student population threshold necessary for designation as a Hispanic Serving Institution (HSI).
