

Brazos Valley Bombers

My name is Madeleine Marcos and I'm with the Brazos Valley Bombers. I wanted to take this opportunity to reach out regarding our new positions available within our internship program and introduce myself as the new point of contact within the organization for our Internship Program.

In the past, as you may know, the Brazos Valley Bombers have been able to help place our interns with some of these professional sports organizations: Dallas Cowboys, Dallas Stars, Houston Texans, Frisco Roughriders, Memphis Grizzlies, San Antonio Spurs, FC Dallas, Pittsburgh Pirates, Fox Sports, Aggie Athletics, Houston Dynamo and many more.

The Bombers have now expanded and are in the process of replicating our product in two additional markets, Texarkana and Baton Rouge. In addition, we have brought the Brazos Valley Cavalry professional soccer club to the Bryan/College Station area.

With these four franchises, we are able to provide many opportunities for students to learn, develop and grow into leaders in the Sports & Entertainment Industry. Starting immediately, we are taking applications and conducting interviews for our internship program for all four of our franchises. We would greatly appreciate your help in getting the word out.

Here is the link where students interested can apply directly and even schedule an interview: <http://bit.ly/SportsInternship>

For the summer semester we have openings in every market for both our Full-Time Internship program and our Part-Time program.

We are excited to talk to any student interested, whether they are a freshman looking to get involved on a part time basis or a senior excited about dedicating their summer to the program as a full timer.

Please let me know of any questions I can answer.

Thanks for all that you do!
