- Please submit this Intent to Complete form to Prof. Victoria Sutton, Director, and schedule a time to discuss your proposed program of study.

I grant permission to the Director to obtain an official copy of my transcript at any time, to assess my progress to continue in the program and to meet the requirements of the Concentration.

I intend to complete the Law and Science Concentration and I agree that I will not enroll in, or pursue at any time, any other Concentration at TTU, without first withdrawing from this Program. I am free at any time before graduation, to withdraw from the Law and Science Concentration program, or I may be dismissed from the program for failure to meet the requirements at any time.

I have read and understand this Guidance and agree to comply.
