Accommodations for Disability. Any student who has a documented disability may be eligible for accommodation(s). The student must first contact the [Office of Student Disability Services \(SDS\)](#) and then, if eligible for accommodations, register with SDS by submitting an online application and documentation of the disability. After registering with SDS, the student must (1) request the Letter(s) of Accommodation (LOAs) through SDS's online system and (2) meet with the Law School's Assistant Registrar to discuss implementing the accommodation(s). After all these steps are completed, the Law School has 5 business days to implement the required accommodation(s).
