

## Crossroads Recording Studio Measures to prevent the spread of Covid-19

- Patrons must wear a mask to enter the studio and wear the mask when in contact with other persons that are in close proximity or closer than 6 ft.
- Everyone must maintain a social distance of 6 ft. whenever possible.
- Crossroads Recording Studio rooms will be restricted to TTU personnel and performing artists only.
- Upon arriving at the studio, a contactless temperature check will be administered. Any body temperature of 99.5°F or above will be denied entry.
- If you are feeling ill or displaying symptoms such as coughing, sneezing, runny nose or fever, please do not come to the studio until completely asymptomatic.
- If any of the aforementioned symptoms are observed by TTU staff during a session, the client will be asked to leave and the session will be canceled.
- Patrons may take off their masks when performing and properly distanced from other performers.
- Recording engineers will be wearing a mask when in close contact with others.
- All rooms, door handles, drumset, equipment and microphones will be disinfected between sessions.
- The studio will accommodate a maximum of 4 patrons during a session.
- Drummers will need to provide their own drumsticks.
- With the exception of **bottled** water, no food or drink of any kind is permitted in the studio.
- All personal items, bottled drinks, and other trash must be taken out of the studio or disposed of outside of the studio when the session is over.
- Shoes must be worn at all times.
