## Office:

- One desktop in each office for grad students to use
- One network connection for the desktop system (NO HUBS)

## Computers:

- Require an Eraider account to log into the system
- Under My Computer you will have a “T” Drive and a “U” Drive to save important files
- You will not be able to install programs, please contact [math.itsupport@ttu.edu](mailto:math.itsupport@ttu.edu) if additional software is needed
- Systems will be ERASED and RESTORED if a problem occurs and before every fall semester, so BACKUP YOUR DATA!

## Additional Computers:

- You can use personal computers in your offices
- Internet access must be through TTU’s wireless network
- Laptops and desktops will need a wireless network adapter for this to work (we can provide wireless assistance)

## Helpful Information:

- If you need a website for your class please email [math.itsupport@ttu.edu](mailto:math.itsupport@ttu.edu)
- Documents can be scanned to PDF emails at the Xerox Copier in Room 201 using **public** account
- **Eraider account management (change password at the end of workday to prevent lockout)**
