

TEXAS TECH UNIVERSITY

Department of Mechanical Engineering™

Application for Transfer to ME Graduate Program

Procedures:

- Students who would like to transfer from another graduate program at TTU to the mechanical engineering MS or Ph. D. program must complete this form. Students currently enrolled in a mechanical engineering program, may also use this form to transfer between MS and Ph.D. programs.
- Students must also submit 3 letters of recommendation, a copy of GRE scores, transcripts from previous institutions, and the Graduate School's Change or Add Program Form.
- Submit this form to ME Office 104.
