

**Prior to Enrollment:**

**( ) Texas Success Initiative (TSI)**

All students are responsible for complying with the Texas Success Initiative. State regulations require that all students enrolling in public higher education institutions demonstrate college readiness in reading, writing, and mathematics by earning passing scores on the TSI Assessment Test or providing proof of exempting ACT, SAT, STAAR, or TAKS test scores; an associate's or bachelor's degree from an accredited public institution of higher education; honorable discharge from the U.S. military; or active U.S. military service. For additional information regarding TSI compliance requirements and exemptions visit [www.depts.ttu.edu/registrar/private/tsi](http://www.depts.ttu.edu/registrar/private/tsi)

**( ) Math Placement**

University policy states that to be admitted to an entry-level mathematics course (0301-1451, 1420-2345), a student must meet one of the following prerequisites:

1. Students who have a sufficient high SAT Mathematics score (610 [660 for M1451] or higher) or ACT Mathematics score (26 [29 for M1451] or higher) may enroll in any of the entry-level courses.
2. Students who have collegiate credit for the appropriate prerequisite course from an accredited community college, junior college or university may enroll in the sequenced entry-level mathematics course.
3. Students who satisfactorily pass the Mathematics Placement Examination may enroll in the appropriate entry-level mathematics course. This placement exam is available and administered online.
