WiSE Ph.D. student Chris Pattison Graduates!

Congratulations are in order for WiSE Ph.D. student Chris Pattison who officially graduated from Texas Tech University last week.

Dr. Pattison is now working with SGS Engineering in Lubbock.

Good job, Chris!

WiSE Ph.D. Student Patrick Skinner Awarded Mehta Scholarship

The Wind Science and Engineering Center at TTU is proud to announce the winner of this year's Kishor and Mary Ann Mehta Scholarship for the student who has made the most progress in the WiSE program for 2010-2011.

Patrick Skinner was chosen from the group based on his exemplary progress in the program, submission of an article to be published in a scientific journal, his outstanding work in the student groups, and his participation in the WiSE Lecture Series, as well as his valuable participation in the many Reese tours.

Pat is a great example of what our students are capable of, and WiSE would like to congratulate him on this honor.
