

WE Internship Rules

1. Students must be enrolled in 6 hours of WE 4000 during the internship. This is to satisfy the Wind Energy Internship.
2. Students must sign up for this course in person through the advising office.
3. Students DO NOT register online. Please visit the internship coordinator and advisor.
4. Students must register during normal registration periods.
5. Students are not allowed to take face to face classes during their internship.
6. Students must do their internship in the semester in which they sign up for the class.
7. Students must pay for 6 hours of tuition.
8. Students must complete the 400 hour requirement at one place of business.
9. Students must bring a letter of offer when registering for the course.
10. Students must turn in their internship report by the due date for credit.
