Raider Rooms

What is a Raider Room?

A Raider Room is a centrally scheduled and maintained classroom that is available to users in all academic disciplines.

ACCESSING RAIDER ROOMS

Instructor of Records (IOR) will have access added to their Raider ID card the week prior to the semesters start. The first week of the semester the Raider Rooms will be unlocked, after that IOR will need to unlock and lock the rooms for their classes. Instructors do not need to prop the doors open during class time and can choose to keep their rooms unlocked! Check out the instructions. 

TA ACCESS

For TA's to have access IOR will need to send an email to operations.raiderrooms@ttu.edu with the TA's R#, day, time and room number.

To Unlock a Raider Room:

- Locked Raider Rooms will display a **red** LED light in the card reader
- Unlocked Raider Rooms will display a **green** LED light in the card reader
- Hold your Raider ID card near the black card reader OR slide your card through the mag card reader on the side (if it is available)
- The lock will go from **red** to **green**.
- When the lock is **green**, the door is unlocked
- Holding up the card once will unlock the door for 8 seconds
- The door handle does not turn due to the locking mechanism. Push (or pull as necessary) to open the door.

To Keep a Raider Room Unlocked for a class period:

- Hold up your Raider ID card once to unlock it for 8 seconds.
- Then hold it up a second time while the lock is still **green**
- Additional beeps will sound and the lock will stay **green** for the duration of the class.
