NEW RAIDER ROOMS!

Math 11, 13 and 15 are being renovated to be Raider Rooms. The three Math rooms are being combined to create two larger rooms. Both rooms are having a full renovation of ceiling, walls, flooring, and upgrade of furniture and technology.

FUTURE RAIDER ROOMS

- Chemistry 113
- Classical Modern, Languages and Literature 105
- Math 10
- Human Sciences 226

The future Raider Rooms will start renovation this summer. Each room will recieve an upgrade in technology, furniture, flooring, lighting, and be ADA complient.

Did You Know?

• You can access your approved event Raider Room with your Raider ID card! After your requested event has been approved email your Raider Card ID# to operations.events@ttu.edu with the reservations email. We will add the Raider Room to your Raider Card ID for that day and time. (You must have your physical Raider ID card to access the room)

• Dry erase markers are supplied by ODPA and are checked during weekly room audits.

• The following Raider Rooms have hearing impaired technology: Agricultural Sciences 214, Holden Hall 33, 38, 104, 155, 225 and all Raider Rooms in Media and Communication.

TECHNOLOGY HELP

Have a question about
Raider Room technology?

If you have any questions about the technology in your Raider Room, you can contact Classroom Technology Services (CTS).

If you would like a demonstration of the functionality of the hardware/software, CTS is happy to schedule with you a one-on-one training session with one of their technicians (please note due to COVID-19 everything will be handled online, phone or Skype). Their contact information as well as the link for their website is listed below.
