Digital Badge Request

Digital Badge title (*Limited to **50 characters or less**):*
Course, workshop, or other educational activity name and/or identifying number*:*
Instruction hours for course, workshop, or other educational activity
Please describe the course, workshop, or other educational activity: *This description will appear on Accredible (the University's digital badging platform) and is limited to **200 words or less**.*
Please identify the skills earners need to demonstrate or learn in the process of pursuing this digital badge: *These should be short (1-3 words. For example, project management, Excel proficiency, team leadership.)*
Please list the industry-aligned learning objectives and outcomes (*Learning objectives should be measurable and use action verbs.):*
Please describe what the learner will need to do to earn the badge: *What activities, courses, and/or experiences will be required of those participating in this program? Please briefly describe how each helps the earner acquire identified industry-aligned learning outcomes.*
Will there be an assessment? If yes, please outline the assessment strategy: *How will the learner be assessed? How will you determine that the learner has met the criteria for the badge?*

Please provide syllabus, course expectations, or schedule and CV or bio explaining instructor qualifications.
You may also provide rubrics or additional documents as needed.
