Please describe your department / program and its mission.

Animal Care Services facilitates the use of animals in research and teaching at Texas Tech University while assuring compliance with all applicable regulations. ACS maintains responsibilities in animal procurement, animal housing and daily care, the provision of veterinary care, health surveillance and preventative care, assisting investigators and their staff with animal procedures, and the care, maintenance and replacement of equipment and facilities.

What is your current review time-line?

Annual report submitted to report numbers of animals used from 1/1 to 12/31. Also includes facility information, minority views from the IACUC meetings, and current IACUC membership.

Assurance submitted to OLAW every 5 years describing the program, personnel, veterinary care, and IACUC responsibilities. Due in 2016.

The date of next review is Jan 2019
