

TEXAS TECH UNIVERSITY  
Office of the Provost

## Office of Planning & Assessment

August 2020

Hello, and thanks for stopping by our NEW website, which was designed by our Graduate Assistant, Emily Wade. We hope you love it as much as we do! We're working to provide updated content to you on a regular basis, so we encourage you to bookmark our page.

In the Office of Planning & Assessment (OPA), we're working to develop and support a culture of continuous improvement. We collaborate with many offices on campus, and we love it! Whether we're working with an academic department to improve student learning, or collaborating with a student support office to develop their assessment plan, we're here to be of service to you! We pride ourselves on providing friendly and responsive customer service to the Texas Tech community, so please don't hesitate to reach out to us (742-1505) or [opa.support@ttu.edu](mailto:opa.support@ttu.edu).

During academic year 20-21, we've established a number of office priorities:

1. Submit an exemplar Fifth Year Interim Report to SACSCOC on or before March 15, 2021;
2. Ensure that nearly all degree programs and support service level units report actions for improvement and follow-up statements in their 19-20 assessment report;
3. Continue to innovate RaidersEngaged, Communication Literacy, TechQuest, and the Core Curriculum Report by producing quality and meaningful reports that are shared with other campus groups;
4. Provide enhancements to DigitalMeasures that allow for streamlined faculty and staff reporting.
5. Lead state-wide efforts to launch and enhance the 2021 Texas Association for Higher Education Assessment conference.

Our door is always open to you!

Kindly,

Jennifer S. Hughes, Ph.D.

Managing Director

Office of Planning & Assessment
