

Effective February 1, 2020, the workers' compensation network for TTUS and components, has been replaced by CareWorks Managed Care Services and no longer IMO Select.

Abilene, Amarillo, Austin, El Paso, Lubbock, North Texas, San Angelo, San Antonio: Employees ARE required to see a network provider and the employer notification package and network acknowledge form are required. Use the link below to access employer information and employee notification packages and the acknowledgment form. Provider search instructions, service area map and FAQ are also available there along with detailed instructions.

PROVIDER SEARCH: <https://goperspecta.com/VPD/careworkstxhcn/public/Authentication/Login>

In case of a serious emergency we can still use Covenant ER and UMC ER. Using other facilities outside of our network could cause improper billing issues. Please have your employees that have a work-related injury seek treatment at one of the listed facilities. Please contact the facility before you go to check for availability.
