## Operating Policy and Procedure

### **OP 40.07: Annual Crime Reporting – Clery Act Compliance**

**DATE:** January 28, 2026

**PURPOSE:** The Jeanne Clery Campus Safety Act, part of the Federal Higher Education Act of 1965, as amended, and as further amended by the Higher Education Opportunity Act (HEOA), and the Violence Against Women Reauthorization Act of 2013 (collectively known as the “Clery Act”) requires that colleges and universities participating in federal student aid programs gather and report to the campus community and the federal government statistics for certain crimes that occur on or near campuses and publish policy statements concerning campus safety and security. The Clery Act also requires that such institutions have policies in place to take certain actions when circumstances prescribe that those actions are required. The Clery Act was amended in 2024 to include the Stop Campus Hazing Act ([TTU System Regulation 07.19](#)). The purpose of this Operating Policy/Procedure (OP) is to ensure that Texas Tech University is in compliance with the Clery Act.

**REVIEW:** This OP will be reviewed every two years after publication by the Office of Institutional Compliance, the System Office of Risk & Compliance, and the System Office of General Counsel, with substantive revisions forwarded to the university President.
