OPERATING POLICY AND PROCEDURE

OP 79.01: Travel Authority and Definitions for Texas Tech University and TTU Employees

DATE: February 17, 2022

PURPOSE: The purpose of this Operating Policy/Procedure (OP) is to set forth legislative travel regulations from the General Appropriations Acts of the Texas Legislature and the policies of Texas Tech University.

REVIEW: This OP will be reviewed in November of odd-numbered years by the Section Manager of Travel Services with substantive revisions forwarded through the Chief Procurement Officer to the Senior Vice President for Administration & Finance and Chief Financial Officer.

POLICY/PROCEDURE

1. Authority

The following rules were developed under the authority of the General Appropriations Act Article IX, Part 5, Texas Government Code, Chapter 660, and Texas Administrative Code, Title 34, Part 1, Chapter 5, Subchapter C, Section 5.22.

2. Responsibility of Agency and Employee

a. Agency Responsibility

All travel must be for the benefit of the institution. It is the policy of TTU to follow travel requirements as outlined in:

- 2 CFR Part 220;
- 49 U.S.C. 40118
- Internal Revenue Code §§ 1.62-2
- Texas Administrative Code Rule § 5.22;
- General Appropriations Act (GAA) Article IX Part 5
- Textravel

The requirements outlined in this policy apply to all official travel, regardless of funding source.
A travel expense may be reimbursed only if the purpose of the travel clearly involves official state business and is consistent with the university’s legal authority.

The university shall minimize the number of travel expenses reimbursed by ensuring that each travel arrangement is the most cost-effective considering all relevant circumstances.

b. Employee Responsibility

A state employee shall ensure that their travel complies with applicable state laws, Textravell (https://fmx.cpa.state.tx.us/fmx/travel/textravel/index.php), and any policies adopted by TTU. Failure to comply will result in delayed payment or reimbursement or rejection of the employee’s travel voucher.

A state employee may not seek reimbursement of a travel expense that the employee knows or reasonably should know is not reimbursable or payable. A state employee shall immediately reimburse the state (through TTU) for any overpayment.

a. Employee Travel

Employees shall make off-campus trips only after obtaining appropriate approval by designated administrative officials, in accordance with established procedures, and when the trip contributes to the university’s mission.

Employee travel may not interfere with the primary academic or administrative responsibilities of the traveler.

Employees may claim reimbursement for travel expenses through TTU’s online travel system: https://www.fiscal.ttuhsc.edu/travel2/. Instructions are available at https://www.depts.ttu.edu/procurement/resources/training-and-work-aids/.

b. Travel Expenses Paid from Grant Funds

Employees traveling on official business may be reimbursed for travel expenses paid from grant funds but are expected to comply with provisions of the grant, university policy, and any state and/or federal regulations.

c. Authority to Approve Travel

The traveler’s supervisor will approve the travel expenses; however, the following officers and administrators have the authority to authorize and approve all employee travel within their area, except foreign travel. Foreign travel, including Canada, Mexico, and the U.S. territories, must be approved by the Office of International Affairs, as noted in OP 79.05, International Travel, provided that such travel contributes to the university’s mission and follows current travel regulations. These officers and administrators may further delegate their authority.
