WELCOME TO Raiderland

University Student Housing
All first-time students to Texas Tech are required to live on campus for two academic semesters (Fall-Spring). This requirement includes traditional freshmen and transfer students.
Off-Campus Eligibility

- To live off campus students must be approved for an off-campus exemption.
- All exemption requests and results must be completed prior to the official Move-In date for the current academic year.
At the end of June, students will have the opportunity to choose their preferred move-in date and time via the Move-In Timeslots. The available options for move-in dates will be August 12-14, 2023, and August 17-20, 2023. Please review the information provided below to determine the date on which you will be eligible to participate.
The Move-In Timeslots offered by USH allow residents to select a designated date and time to move-in to their residence hall. This program is designed to minimize wait times for services and prioritize the safety of our residents, families, and staff.

| JUNE 27 | Students who completed Stage 1 and Stage 2 of the Red Raider Express Pass program will have the opportunity to select their move-in timeslot beginning Tuesday, June 27, 2023. Students who completed these stages will receive an email from University Student Housing indicating their eligibility to participate on this date. |
| JUNE 29 | Students who completed Stage 3 and Stage 4 of the Red Raider Express Pass program will have the opportunity to select their move-in timeslot beginning Thursday, June 29, 2023. Students who completed these stages will receive an email from University Student Housing indicating their eligibility to participate on this date. |
| JUNE 30 | All students will have the opportunity to select their move-in timeslot beginning Friday, June 30, 2023. |
