

RED RAIDER FAMILY WEBINAR SERIES

Don't Let a Hold Hold Them Back: Understanding TSI and Spring Registration

Christine Self | Parent & Family Relations

Lorena Williams | Texas Success Initiative (TSI)

TEXAS TECH™

TSI Program Support

Family Connections

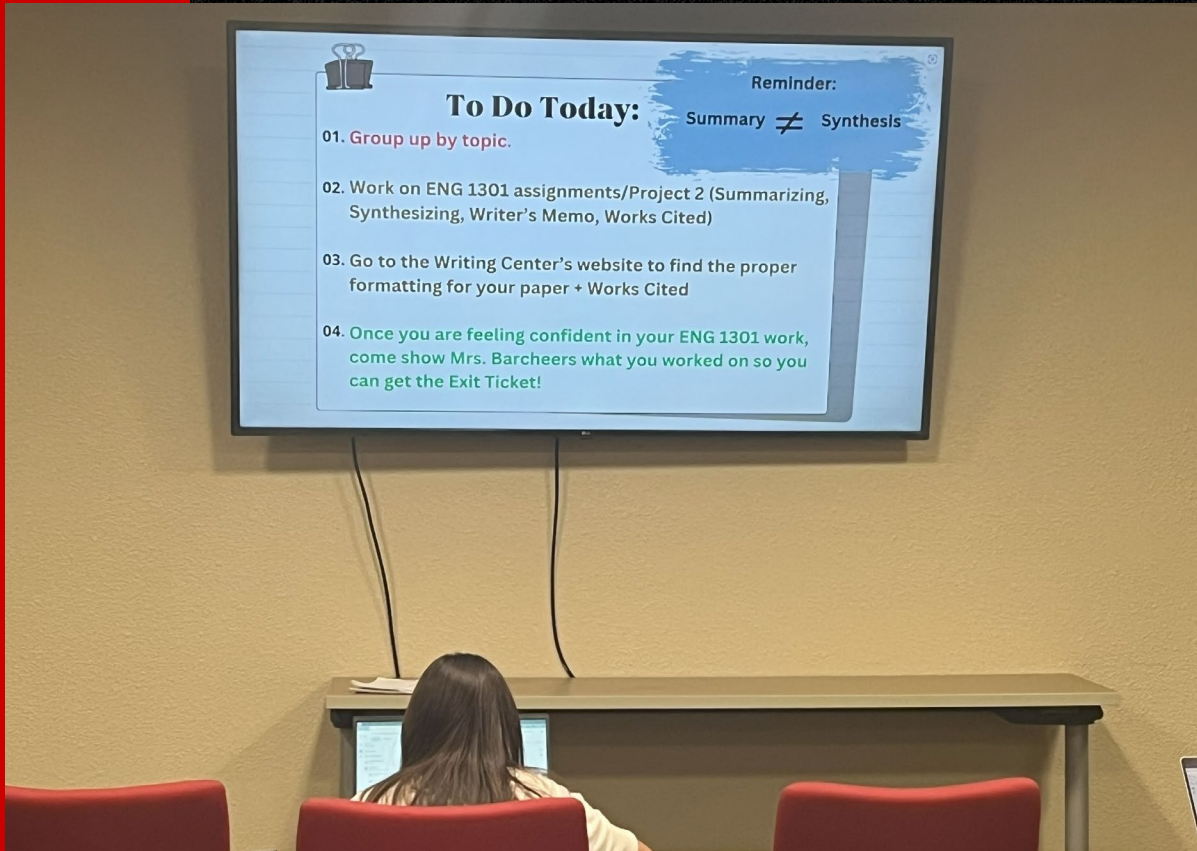

Instructors for the TSI Program are highly skilled, degreed professionals with a passion for student success. The ultimate goal is supporting students in the successful completion of their entry level Math or English courses.

Did you know?

TSI coursework is structured to be a guide for the entry level coursework. No extra homework or assessments will be assigned.

In the 2024 – 2025 school year TSI helped over **TWO THOUSAND** students' successfully complete entry level Math and English classes. TSI will help over 2,500 students this year.

TSI connects students to on-campus resources like the Writing Center, Learning Center, and Supplemental Instruction as a part of TSI coursework.

While attendance is required, no **additional** homework or assessments are assigned to students in TSI coursework.

TSI Instructors work to create connections with students and mentor strong study skills, problem solving strategies, and effective communication skills.

WHAT STUDENTS HAVE TO SAY ABOUT TSI

“Your teaching has genuinely been the best thing that has happened to me in my math career, and I finally feel like I am able to understand math that meant nothing to me previously.”

“Just want to say thanks for helping me become college ready in Math. I was so overwhelmed when I first walked into your class. I could barely use the blackboard much less understand Logic. But you found a way to connect with me and help me understand the work. You're the reason I have an A in my Contemporary math class. I'll be forever grateful for your teaching. I can do math again! Thank You.”

““I learn more in these TSI classes than in my regular classes.” English is going great because of my TSI class and I took TSI math last semester with Pablo. He helped me so much!”

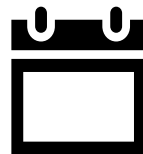

TSI HOLDS

TSI Registrar Compliance Holds
“TSI Hold NEEDS” - REG
Prevents Spring Registration

TSI Coursework Holds
“TSI F25 email tsi@ttu.edu” – CLRE
Lifted Oct. 30-Jan. 6th
