

WELCOME!

Texas Tech University Transportation and Parking Services is glad to have you on campus! Numerous parking options are available to our students, employees, and visitors.

All permits are license-plate-recognition based, so no stickers, hang tags, or paper dash passes are needed, just an accurate license plate number!

To purchase an ePermit, manage your My Parking Account, or get more information, visit <http://www.parking.ttu.edu>.

Download the Lime app to discover your nearest available vehicle.
