If you have terminated employment, then complete an online request found [here](#). A duplicate copy of the W-2 form will be provided to the employee upon request after February 14, 2025.

*Why doesn't my W-2 reflect my December Earnings paid in January?*

The IRS requires employers to report wages on tax form W-2 in the year in which the wages were paid. Wages for the December are paid in January and are therefore reportable in the following calendar year.

*I did not work for Texas Tech last year, so why did I receive a W-2?*

Form W-2 reports wages paid during the year, not wages earned during the year. Texas Tech pays monthly salaries on the first working day of the following month. If your last day worked was in December of one year and you were paid in January of the following year, those wages would be reported on the W-2 for the second year.

*I started working at Texas Tech in December but did not receive a W-2. Why not?*

Wages for December are normally paid in January of the following year. If you started working in December, you probably did not receive a payment until January, and those wages will be reported on next year's W-2. The W-2 reports wages paid during the year, not wages earned during the year.

*Why is the amount in box 1 not the same as the calendar year to date gross pay amount?*

The amount reflected in Box 1 represents taxable wages for a given calendar year. The amount reflects gross wages less pre-tax deductions such as medical, dental, life insurance premiums, pre-tax parking, retirement contributions, tax sheltered annuity contributions, Teflex, etc.

*Why is the amount in box 1 not the same as my applicable gross year to date amount for Federal Income tax on my last check?*

The amount listed in your year to date applicable gross for Federal Income Tax does not include the taxable portion of your group-term life insurance over \$50,000 which must be included in your taxable earnings reported in box 1 on the W-2. The difference between the amount listed on your final earning statement for Federal Income Tax and the amount reported in box 1 of the W-2 should be the amount listed in box 12C of the W-2 for the taxable portion of the group-term life insurance over \$50,000.

## Insurance Benefits

### DEPARTMENTS

Reminder that an ENJOB ePAF does not terminate employment or insurance benefits. If an employee is not expected to return to work, a TERMI (termination) ePAF should be submitted. If an ENJOB ePAF is submitted in error, and the insurance remains active for the employee, **departments are solely responsible for ALL insurance premiums due** (both employee and employer portions), for all months insurance coverages remain active.

## Teacher Retirement System of Texas (TRS)

### HOURS WORKED

Due to TRS reporting guidelines that went into effect 9/1/17, TRS now monitors the total number of hours an employee is paid for in the month. As a reminder, employees **MUST** work and/or submit leave time equivalent to their FTE.

*For example:*

0.25%FTE-should be reporting 10 hours per week

0.50% FTE-should be reporting 20 hours per week

If you have questions regarding FTE, please contact your local HR office.

For questions please send an email to [webmaster.payroll@ttu.edu](mailto:webmaster.payroll@ttu.edu).

## WORKING RETIREES

If you are thinking about retirement and considering possible employment with an employer covered by TRS after you retire, the *Employment After Retirement* guide located on the TRS website will help you make the decision that is right for you and avoid any unexpected loss of annuity payments.

[https://www.trs.texas.gov/TRS%20Documents/employment\\_after\\_retirement.pdf](https://www.trs.texas.gov/TRS%20Documents/employment_after_retirement.pdf)

Work hours allowed when limited to working one-half time or less are posted on the Retirement tab of the Payroll website.

For questions, please send an email to [webmaster.payroll@ttu.edu](mailto:webmaster.payroll@ttu.edu).

## WORKING RETIREE SURCHARGES – ATTN: DEPARTMENTS

If you hire a TRS retiree who retired after September 1, 2005, and they work more than one-half time (50% fte) in a calendar month, the department is required to pay a surcharge of 16.5% of the total salary paid in that month. If the retiree is enrolled in TRS Care health coverage, you may also be responsible for the employer portion of the premium.

For questions, please send an email to [webmaster.payroll@ttu.edu](mailto:webmaster.payroll@ttu.edu).
