

The PHI BETA KAPPA *Society*
LAMBDA of TEXAS CHAPTER

Phi Beta Kappa Visiting Scholar Keynote Lecture

Nina Pavcnik

*Professor of Economics and
International Studies
at Dartmouth College*

a public lecture:

**How globalization shapes inequality:
Lessons from 40 years of trade liberalizations**

Income inequality has increased in most developed and developing countries since the 1980s. Was increased international trade between rich and emerging economies the main culprit? This lecture will draw on empirical evidence from a wide range of countries to discuss how trade liberalizations implemented since the 1980s shaped inequality within countries.

October 25th

5pm

Agriculture Education building, room 102
