Milind Pattanayak

Hometown: Calcutta, India

Research Advisor: Ayrton Bernussi

Milind has set up our introductory teaching labs for a number of years. Most of his work is behind the scenes and usually in the middle of the night and after hours. Milind can always be counted on to have every lab set up on time with all equipment in working order. He has set a high standard for lab preparation in the department.

CONGRATULATIONS, MILIND!!!
