

# TAs OF THE WEEK

*February 18, 2022*

## **Aaron Mankel**

**Hometown:** Anchorage, Alaska

**Research Advisor:** Sung-Won Lee

## **Bilal Siddique**

**Hometown:** Lahore, Pakistan

**Research Advisor:** Juyang Huang

Aaron and Bilal were both nominated this week by one of their fellow TAs. In both cases the TA said that Aaron and Bilal were exceptionally helpful in mentoring new TAs. They reported that these two gentlemen went out of their way to answer questions, provide tips on how to conduct the lab more effectively, and most especially they gave of their time and provided encouragement.

**CONGRATULATIONS, AARON AND BILAL!**
