

# TA OF THE WEEK

*March 25, 2022*

## Miranda Maille

**Hometown:** Lubbock, Texas

**Research Advisor:** Thomas Maccarone

Miranda Maille is one of our most experienced TAs. She has always been willing to step up when asked. Miranda's experience has made her one of the most effective mentors in the department. She is the go-to person to fill in for Dr. West if he is unable to attend a 2401/1404 TA training meeting. This willingness was demonstrated recently when she had to fill in for him on short notice, short notice being defined as less than two hours' notice.

**CONGRATULATIONS, MIRANDA!!!**
