

TA OF THE WEEK

October 14, 2022

Name withheld at the request of the TA.

This week's TA of the week is being handled a little differently. Allow me to explain.

At our Friday TA meeting a couple of weeks ago, I mentioned that Joyce and Debra did a lot of work on behalf of our TAs behind the scenes that enabled the TAs to get paid. I suggested that the next time the TAs went through the office, they might say thank you to these ladies.

The next week, one of the TAs handed me two gift cards for \$50 each and said to give them to Debra and Joyce as a thank you on behalf of the TAs. They requested their name not be mentioned. This was an extremely thoughtful and generous thing to do. Debra and Joyce were quite appreciative and asked me extend their thanks.

WELL DONE, ANONYMOUS TA!!!
