

Cross-Disciplinary Doctoral Colloquium

Join Dr. Elize Bisanz, Director of the Institute for Studies in Pragmatism, for an interdisciplinary colloquium for students. The basic aim of the Doctoral Colloquium is to provide a collaborative space and intellectual network for students in a community of learning to foster disciplinary and interdisciplinary dialogue and discussion. Present your research in all disciplines, meet scholars in other fields, bridge your research to different fields, and build your professional network.

SCHEDULE: Fall 2021

Main Library Building, 3d floor, room 305 and on Zoom

Wed. 09.01. , 12:00-1:00 pm
