

HOW TO INITIATE AND SUSTAIN CROSS-DISCIPLINARY PARTNERSHIPS

COLLABORATIVE APPROACHES TO RESEARCH, TEACHING AND CREATIVE ACTIVITY

The Office of Faculty Success, the Teaching, Learning, and Professional Development Center and the Institute for Studies in Pragmaticism invite faculty members to a panel discussion on initiating and sustaining collaboration in research and creative activities.

The goals of the discussion are to increase awareness among faculty members about how to develop collaborations with colleagues and to reinforce a knowledge-sharing culture that nurtures new opportunities in research, teaching, and creative activity.
