

BREAKFAST TALKS

WITH
THE INSTITUTE FOR STUDIES
IN PRAGMATISM

OCT
30

10:30 - 11:30
AM

BRADLEY VIGIL

Mathematical Neuroscience

Charles S. Peirce Interdisciplinary Graduate
Fellow 2024

Quad Fellow 2024

Library
Room 305

UNDERSTANDING THE IMPORTANCE OF ACADEMIC OUTREACH ACROSS SOCIETIES AND CULTURES.

Insights from a young scholar on networking opportunities with
scientists, technologists, and politicians.

Join us as Bradley Vigil discusses the critical role of
academic outreach in promoting collaboration and
innovation. This conversation will delve into the
significance of partnerships between academia and
different sectors, emphasizing how networking
can effectively tackle complex societal issues.
