**PCARD Announcements**

With the implementation of Chrome River and the ability to submit expense reports more frequently, the PCard Team is extending the Pcard year-end deadlines to August 30th. This extension will allow departments to reconcile and post transactions to the FY21 budget. Any transactions that post after August 30th will be submitted and posted to FY22. Departments should not submit any expense reports in Chrome River after August 30th for FY22.

Departments should submit expense reports *every week* to ensure enough time for review and approvals by all departments. Below are our deadlines for the 8/3/2021 report and year-end transactions.

**Deadline for 08/03/2021 Statements – processed in Chrome River**
PCard Expense Reports for the period of 07/04/2021 through 08/03/2021 must be reconciled and submitted through the Chrome River system no later than August 16th, 2021.

**Year-End Deadline for FY21 – processed in Chrome River**
Transactions posted on or before 8/30/2021 (posted by Citibank and listed on your eWallet in Chrome River) will need to be submitted by the end of day 8/30/2021 in order to charge to FY21 funds. Any transactions posted on or after 8/31/2021 and expense reports submitted on or after 8/31/2021 will be charged against FY22 funds.

If you have any questions, please reach out to the Pcard team, purchasing.pcard@ttu.edu.
