

Ethics Commission Reporting Internal Guidelines

In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that Texas Tech University System (TTUS) or any component Institution may not enter into certain Contracts with a Business Entity unless the Business Entity submits a disclosure of interested parties (Form 1295) to TTUS at the time the business entity submits the signed contract to the governmental entity or state agency. The Texas Ethics Commission has adopted rules requiring the business entity to file Form 1295 electronically with the Commission.

The law applies only to a Contract between TTUS or a component institution that either:

- (1) requires an action or vote by the governing body of the entity or agency; or
- (2) has a value of at least \$1 million (value of a Contract is based on the amount of consideration received or to be received by the Business Entity from the Institution).
