Shopping with Mavich Medline

After selecting the Mavich Medline punch-out you will be brought to Medline homepage.

- ❖ In the top left corner of the punch-out, you will see the Procurement Services logo, select the logo to access the featured products page.
- ❖ You will have the option to search for specific products at the top, or you can view the left-hand column to find additional product categories.

The screenshot shows the Mavich Medline punch-out interface. At the top left, the Texas Tech University Procurement Services logo is highlighted with a red box and an arrow pointing to it. The top navigation bar includes a search bar with the text "Search Products by Part # or Keyword", a dropdown menu for "in products", a search icon, and buttons for "MY ACCOUNT" and "CART". Below the navigation bar, the left sidebar contains a "PRODUCTS" dropdown menu and a list of navigation options under "My Account Home", "My Orders", and "Other Tools". The main content area features a "Welcome PunchOut User!" message with an illustration of two people. Below this, there are sections for "Shipments arriving today" and "Rejected items". A "SHOP CATEGORIES" list is highlighted with a red box and an arrow pointing to it, with a callout box saying "Click here to shop for categories". The list includes categories such as Advanced Wound Care, Anesthesia, Apparel, Beds & Mattresses, Central Sterile, Diagnostics, Durable Medical Equipment (DME), Environmental Services (EVS), Equipment & Furnishings, Foot & Ankle, Gloves, Incontinence, Infection Prevention, and Lab Supplies. To the right of the categories list is a large banner with the text "Change your culture. Change your brief." and "Search for products here" in a callout box. Below the banner, there is a "Featured Categories" section with five product images: Infection Control, Durable Medical Equipment, Incontinence, Restore Exam Gloves, and Nutrition.
