

FOR UNDERGRADUATE STUDENTS:

General Information:

- The university is monitoring the situation closely in consultation with public health officials. For the latest updates and communications, please regularly check the Texas Tech University coronavirus ([COVID-19](#)) website.
- Faculty, staff, and students are encouraged to stay updated on guidance related to COVID-19. Though not exhaustive, here is a list of institutional resources:
 - [Student Affairs Updates Related to COVID-19](#)
 - [International Affairs Updates Related to COVID-19](#)
 - [eLearning Information Related to COVID-19](#)
 - [COVID-19 Guidance for Researchers](#)

Emergency Assistance:

- Limited emergency funds for those financially impacted by COVID-19 are available through the [Raider Relief Fund](#).
- Supplement food is available from TTU's food pantry by appointment, see <https://www.depts.ttu.edu/dos/foodpantry.php>
- Continuing Student Scholarships for International Students <http://www.depts.ttu.edu/international/scholarships/continuing.php> (scroll to bottom of page for information regarding possible funding from the Texas Public Educational Grant)
- Student Affairs Resources and Support <http://www.depts.ttu.edu/studentaffairs/SACOV19.php>
- [CARES Act](#)
- A limited number of loaner laptops, cellular hotspots, webcams, and headsets available are available by emailing verify.ithelpcentral@ttu.edu (provide phone #, R#, and equipment needed).

Summer and Fall 2020 course information:

- Long Summer and Summer I will be online only instruction; Summer II will be a mixture of online and face-to-face instruction.
- Fall 2020 courses will be offered face-to-face, via hybrid delivery, and fully online. It is possible that some courses will change modality even after students have registered for them. Students are encouraged to check the schedules frequently for any updates.
- Students whose Fall 2020 courses are offered online or via hybrid delivery will be informed prior to the first day of classes about technical needs. Students who would like the information prior to that date are encouraged to contact their assigned Instructors of Record.

Questions about coursework:

- **Transfer Courses Taken in Spring 2020**

Texas Tech University will accept transfer courses graded as PASS (or similar) as applicable towards major/degree requirements provided those courses were taken in the spring 2020 term. For a complete list of degree requirements please visit our online [Transfer Equivalency Search website](#).

- **Grades of CR/NC**

The CR/NC grading option is not available for Summer or future term courses. This grading option was specifically for spring 2020 courses.

Summer 2020 Commencement:

- Details about Summer Commencement will be forthcoming. Please check the [Commencement Website](#) frequently for updates.

If you have additional questions about matters related to academic affairs, please contact the appropriate person as noted below:

- For questions about faculty-related issues or general academic affairs, please contact [Senior Vice Provost Rob Stewart](#).
- For questions about Commencement or other student-related academic affairs and services, please contact [Vice Provost Genevieve Durham DeCesaro](#).
- For questions about course delivery online, please contact [Vice Provost Melanie Hart](#).
